

## Cantilever Prestressed Precast Concrete Firewall Performance

WALL PANEL THICKNESS (mm)	PRODUCT CODE	FIRE RATING (hrs)
145	VD145	1.5
180	VD180	2
280	VD280	up to 4*

\* Dependant on imposed loads required

### Design Fire Rating Performance

The table gives the fire rating for the vertical cantilever prestressed concrete panels manufactured by ACP (Concrete) Ltd.
